

PATIENT

TIME IS  
RUNNING  
OUT

Don't wait until the end of the year to use your benefits and flexible spending.

Now is a good time to get the family in for their annual check up and cleaning.

If you don't use your benefits and flex by the end of the year you lose it. So if you have any dental work you've put off, or just want to schedule your annual cleaning, call us today so we can get you scheduled and you can take advantage of those tax-free dollars you've set aside for your health.
